Script 3

Hi [Employer Contact name].

I hope this is a good time to discuss our new logistics job board [Logistics 911]. Do you have a few minutes?

[Pause]

Logistics 911 is a new logistics job board that is designed to give your company additional job exposure for your available jobs. We provide niche services that focus only on jobs in logistics and that is one of our main differences and advantage to our job board.

As a new job board, we have a 50% discount off all job postings, and we have Logistics Career Specialists like myself behind the scene all over the USA that will be assisting with all posted jobs.

Logistics Career Specialist (Partnership)

50 / 50 Program...

We split 50% of the profit with the LCS, we are at ground floor and this is the reason we are splitting 50% of the profit.

What Is a Logistics Career Specialist? As a logistics career specialist, you help employers find job candidates by providing additional job exposure with our job board. You will introduce our job board to job seekers, and this will assist with growing our job board into one of the industry's largest logistics free niche job boards.

Additional Responsibilities for Logistics Career Specialist (LCS):

- Educating employers and job seekers on our world class Career Certifications.
- Maintaining relationships with the employers.
- Work with employers to understand their needs.
- Expose job seekers to our website, job board and social media pages.
- Work with candidates to understand their skill set.
