Elite LSP	\$41,795.00	\$20,897.50	\$250,770.00	60 employer accounts / 175 Resume Pro / 250 courses per month

Path to \$250,000 / Year

To hit \$250,000 in annual LSP earnings at a 50% split, an LSP needs to generate approximately **\$500,000 in gross revenue per year**, or ~\$41,700 / month. Sample mix that hits that number:

Line item	Volume / mo	Gross / mo	LSP payout / mo	LSP payout / yr
Employer plans @ \$499	60	\$29,940	\$14,970	\$179,640
Resume Pro @ \$19	175	\$3,325	\$1,663	\$19,950
Courses @ avg	250	\$8,530.00	\$4,265.00	\$51,180.00
Directory listings @ \$99	40	\$3,960	\$1,980	\$23,760
Job credits (avg \$75)	20	\$1,500	\$750	\$9,000

Target: ~\$250,000 / year LSP payout. Achieved by Elite LSPs in year 2+ with a protected territory or enterprise vertical.

Disclaimers

Earnings figures are illustrative projections based on the current Logistics 911 catalog and typical partner performance. Actual results depend on effort, territory, market conditions and customer mix. LSP payouts are calculated on **net** revenue after Stripe processing fees, refunds and chargebacks, and net profit calculations exclude platform infrastructure costs allocated pro-rata. Full terms are defined in the LSP Partnership Agreement.
